

Complete Solutions For All Oilfield Applications

Surge Protective Devices

- Medium Voltage SPDs (1000 - 5000V)
- Low Voltage SPDs (120 - 600V)
- VFD SPDs (all HP and kVA)

Power Monitoring Device

- Voltage and Current Divider (up to 5kV)

Consulting

- Equipment Optimization and Longevity
- Teardowns and RCFA
- Power Quality Studies
- Tender Review
- Vendor Audit

Customized Products

- Surge Protective Devices
- Grounding Systems
- ARC Flash Mitigation
- Power Monitoring
